PA Adult Education Programs assist adults to:

- become literate including basic skills and English as a second language/civics education;
- obtain the knowledge and skills necessary for employment and self-sufficiency;
- become full partners in the education and development of their children; and
- complete their secondary school education and transition to post-secondary education.

Please support

Adult and Family Literacy Programs

Thank you for funding the Adult and Family Literacy Program through the Department of Education.

Please keep the program going in next year's budget. My goal is to:

Thank you for your support!
