

### **2022 PAACE Conference Ad Specs:**

PNG and EPS files are best, but JPG and PDF files at 300 dpi (high quality/resolution) work too.

The pages will be 8.5”w x 11”h., so that would be a full-size ad or 8.5”w x 5.5”h for a 1/2 page ad.

Any ad can be converted to black and white.
